ARUL e:Vision Registration Guide

1) To begin please visit https://e-vision.anglia.ac.uk/ and enter your e:Vision username and password. Your username is a combination of your initials and random numbers, eg. JB123. Your password is your date of birth in the following format DDMMYY.

e:Vision Login

New students, if you are having trouble logging into e:Vision in order to register, please follow the instructions **here**.

Username:

Password:

| Forgotten your password? | Login |

2) Please enter each section and confirm and complete the necessary details. There is a progress bar at the top of each section to confirm how much of that section you have completed, once complete the tile will turn green.

Welcome

In order to complete your registration, please click and complete each of the sections below in the order shown. Any sections that are incomplete will be shown as a red tile. When you complete a section, its tile will turn green and make the next section available. Once each section has been completed, it is not possible to change any of the information you have provided until after the whole registration process has been completed and you become a current student.

Once you have successfully completed all the sections for registration, you will be redirected to your student home page where confirmation that you have completed student registration is displayed on your student noticeboard.

You are encouraged to revisit our **Privacy Policy and Cookies** page to be aware of any changes, and also to check your details here in e:Vision regularly, to make sure that the information we hold about you is current and correct.

⭕
1. Personal Details

⭕
